ABOUT ME

I am Gurudatta Bhosale, a passionate first-year student with a strong foundation in data analytics, SQL, and Python. I enjoy turning raw data into meaningful insights and building solutions that solve real-world problems. Driven by curiosity and a commitment to continuous learning, I am eager to grow as a data professional and contribute to impactful projects.

EDUCATION

First Year (FY) — Undergraduate Studies

Pune, India | Currently Enrolled

Higher Secondary Certificate (12th Standard) — Passed

Maharashtra State Board, India

TECHNICAL SKILLS

Programming Languages: Python, C
